My Friend, now, you are flying  
And never again, we will be smoking  
My Friend, now, of you I'm thinking  
And here, we are just crying  
And you tell me, tell me « to carry on  
Love your Daughter, and love your Son  
Please for me play *I' m going home*  
And I hope, you'll never be alone”

My Friend, now, you are flying  
And never again, we will be drinking  
My Friend, about you I'm dreaming  
And here, we are just crying  
And you tell me, tell me « to carry on  
Love your Daughter, and love your Son  
Please, for me, play *I'm tore down*  
And I hope, you'll never be alone”

Never, never, never be alone
